

Taking The Heights 2009

We plan to start breaking ground in April!

Dear Beautiful Church:

It is with a great sense of humility and dependence upon Our Lord's sovereignty, provision and grace that we press forward with plans to bring into being the vision we have had for so long to build a church that is an appropriate expression of The Worship Center.

Last Sunday evening the Elders and the Building Team gathered together for worship and prayer in the unity of the Holy Spirit to set forth the course of action to bring our vision to fruition.

We met together in unity of Spirit, purpose and, commitment, to not simply build a building, but to fashion a vision of The Worship Center. The team members are:

Scott Majek (Team Leader)

Patti Dunne

Tim Casey

Judy Santostefano

Sharon Gonyaw

Kevin Pisacich

Our next step is to begin clearing the land this April to prepare for construction. We also are planning to create a Worship Center Prayer Garden where the altar presently exists so that we can begin enjoying the beautiful property the Lord as given us.

We are convinced that the path of victory for us will be the path of faith, prayer, unity and dependence upon Our Lord's provision. We are excited about seeing him raise up people and resources from within our midst and from beyond our Body so that his will for us may be done beyond what we ask or imagine. We look forward to putting shovels in the ground, knowing that as we act in faith, the Lord will act on our behalf!
